Spiritual Education Experience

My facilitation style has developed through my work as a public school educator, a staff development specialist, an adjunct professor, and a Licensed Spiritual Practitioner. I bring over 30 years of experience to each class I facilitate. Each session is filled with a balance of experiential activities, discussion, and spiritual practices. I am able to incorporate activities that reach people of varying learning styles. I consistently relate topics discussed to Science of Mind Principles. I create a safe place where all can be authentic and vulnerable and everyone is encouraged to share deeply without judgment.

I currently facilitate two courses in Centers for Spiritual Living ministerial training program:

- ☺ Holmes Institute: Teaching Online and Facilitating a Virtual Community
- ☺ CSL School of Spiritual Leadership: Minister As Teacher

I have assisted in certificated courses, facilitated both certificated and non-certificated courses, and co-facilitated Professional Practitioner Training. I have also created and facilitated several original courses.

- ☺ Spiritual Principles and Practices (Online) 2021
- ☺ Facilitated Beyond Limits, 2008-2013, 2019
- ☺ Facilitated Essential Ernest, 2009-2012, 2019
- ☺ Facilitated Meditation is More Than You Think, 2009-2017, 2019 (I have completely updated this curriculum to incorporate new research and a greater variety of meditation practices)
- ☺ Facilitated Principles of Successful Living, 2010-2012
- ☺ Facilitated Spiritual Practices: Treatment and Meditation, 2011-2017, 2019
- ☺ Visioning, 2019
- ☺ Facilitated Practical Mysticism, 2012
- ☺ Facilitated Professional Practitioner Training, Year 1, 2014-15 and 2016-17, 2019
- ☺ Facilitated Professional Practitioner Training, Year 1, 2014-15 and 2016-17, 2020
- ☺ In 2017, I was contracted by Centers for Spiritual Living to create an original class to cover the basic spiritual practices. This class is called Tools for Transformation: Spiritual Practices to Empower.

- ⌚ I created an original class for Practitioners and Ministers on creating and facilitating adult classes. It is currently an in-person class and I'm developing the online version to be offered to a wider audience.
- ⌚ I created and facilitated an original class which was offered free to our congregation as an example of the curriculum we provide in our courses: Awaken to Your Spiritual Magnificence (a 4-week introductory class) 2014 and 2015
- ⌚ I have written original curriculum for the following books and facilitated them:
 - Awakening to Freedom, (an 8-week non-certificated class based on *The Untethered Soul* by Michael Singer), 2015
 - Grieving Mindfully, (a 5-week non-certificated class based on *Grieving Mindfully* by Kumar Sameet), 2017
 - Spiritual Liberation (an 8-week non-certificated class based on *Spiritual Liberation* by Michael Beckwith), 2010-2012
 - A Path to Wealth (a 7-week class based on *The Path to Wealth* by May McCarthy), 2017
 - Practices to Transform Your Life, 2019
- ⌚ I co-created and co-facilitated The Big Leap (a 7-week class and home study program based on *The Big Leap*, by Gay Hendricks), 2011
- ⌚ I co-created and co-facilitated an original 8-week course called Avenues of Awareness: Spiritual Practices for the Life Divine, 2011
- ⌚ In January 2014 I led a group of our practitioners to develop a series of introductory lessons to our spiritual practices. It was presented as a service to our congregation in three Sunday afternoon workshops by myself and other members of our practitioner core.
- ⌚ In 2008, I created and led an original year-long program for our Women's Ministry's monthly gathering based on the book *Imagine A Woman In Love With Herself* by Patricia Lynn Reilly
