

# THE GLOBAL VISION FOR CENTERS FOR SPIRITUAL LIVING:

- We envision all people, all beings, and all life as expressions of God.
- We see a world in which each and every person lives in alignment with his/her highest spiritual principle, emphasizing unity with God and connection with each other; a world in which individually and collectively we are called to a higher state of consciousness and action.
- We envision humanity awakening to its spiritual magnificence and discovering the creative power of thought; a world where each and every person discovers his/her own personal power and ability to create an individual life that works within a world that works for everyone.
- We envision a world in which we live and grow as One Global Family that respects and honors the interconnectedness of all life; a world where this kinship with all life prospers and connects through the guidance of spiritual wisdom and experience.
- We envision a world where personal responsibility joins with social conscience in every area of the political, corporate, academic, and social sectors, providing sustainable structures to further the emerging global consciousness.
- We envision a world where each and every person has enough food, a home and a sense of belonging, a world of peace and harmony, enfranchisement and justice.
- We envision a world in which resources are valued, cared for, and grown, and where there is generous and continuous sharing of these resources.
- We envision a worldwide culture in which forgiveness (whether for errors, injustices, or debts) is the norm.
- We envision a world which has renewed its emphasis on beauty, nature, and love through the resurgence of creativity, art, and aesthetics.
- We envision a world that works for everyone and for all of creation.
